

Dear Student:

In order to determine your aid eligibility at Phoenix College, we are required to review financial aid history. As a result of our inquiry into the National Student Loan Database System, it appears that there is a pending federal aid award at another education institution for the same enrollment period for which you are enrolled at Phoenix College, therefore, we are unable to proceed with your request for federal aid. In order to ensure that you are awarded in compliance with Federal Regulations, we will need you to obtain confirmation of cancellation of these awards from your previous educational institution.
