If your answer is **No**, you will need to complete an online Admissions form. Click the **No** button to begin.

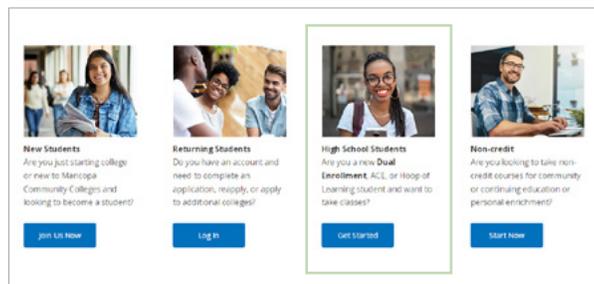

2. You will be asked if you are in the United States on either an F-1 or F-2 or M-1 or M-2 visa? If you are, select Yes; if you are not, select No.

However, this means we cannot release it to advisors, honor societies, student organizations, prospective employers, family and friends, and others, so consider the consequences carefully.

Student Center Account Information

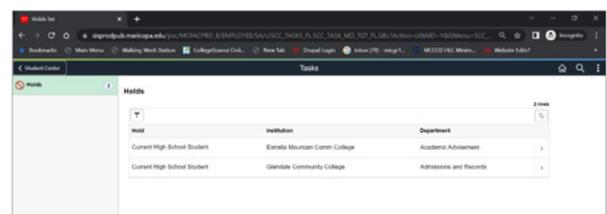

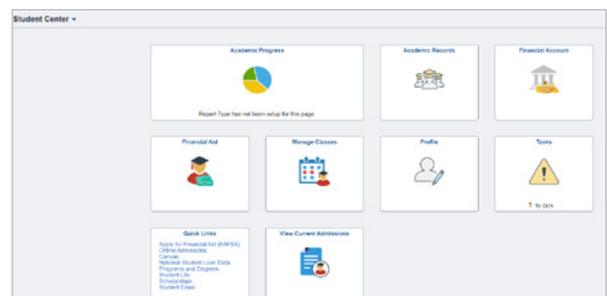

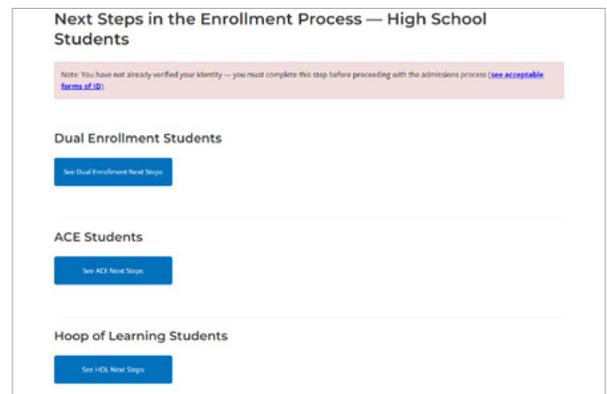

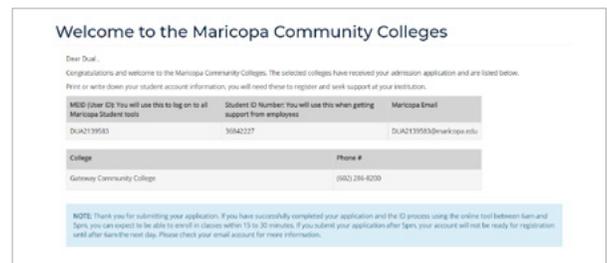

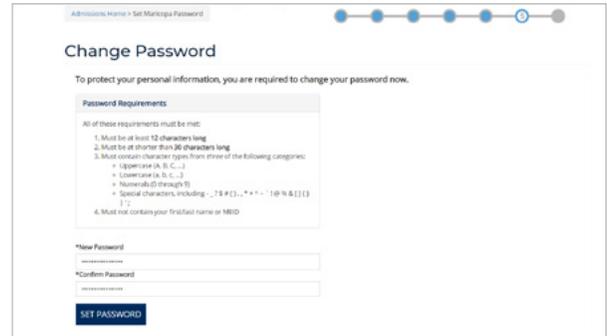

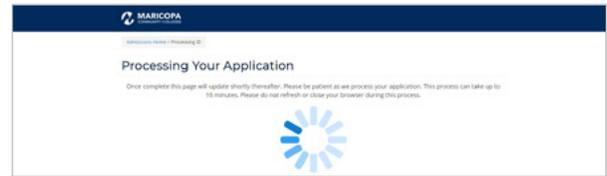

You will be able to view important information, such as your To Do List of tasks you need to complete and any holds preventing you from registering for classes, by visiting your Student Center at maricopa.edu/student-center and logging in with your MEID@maricopa.edu and password.

Click on the **Tasks Tile** to view your Holds and To Do List.

Holds

One or more Holds will prevent you from taking action until you resolve the condition that triggered it.

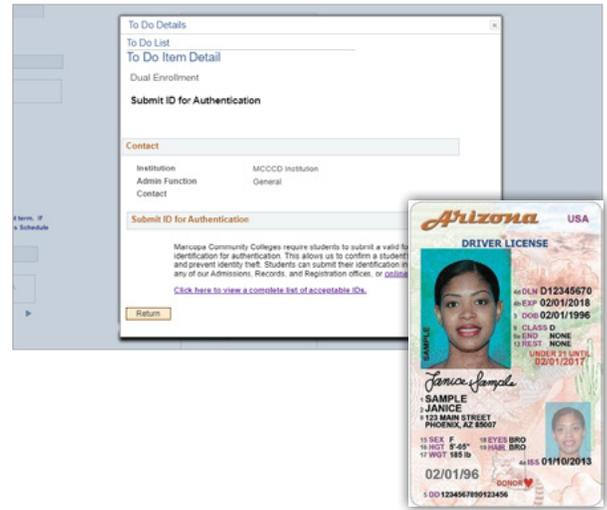

- A Current High School Student hold will remain on your account until you turn 18 and graduate from high school. However, each semester, your college will lift it temporarily to allow you to register for classes. The Under 18 hold will be removed once your parent or guardian completes the Parent/Legal Guardian Consent Form.
- A Blocked Services Hold means you have a debt of \$100.00 or more, which will impact class registration and college graduation until resolved.
- A Limited Services Hold occurs if you owe a debt under \$100.00. Class registration is allowed but other services are not permitted.

To Do List

Your To Do List will contain tasks you need to complete.

- The Submit ID for Authentication task will remain on your To Do List until you provide a clear and legible copy of your identity document(s). You may upload your document(s) by clicking on **Submit ID for Authentication** in your Student Center or visit the Administration, Records & Registration office on your primary college campus. Please call in advance if you would like to visit the college campus to verify hours.
 - i. You may upload a clear and legible **black-and-white** copy of one of the following documents via the Mobile ID Upload or Desktop Upload:
 1. U.S. issued birth certificate AND your high school ID
(Note: a hospital record/certificate and certified Abstract of Birth are not acceptable)

Active Programs:

You can find your Active Programs under the View Current Admissions tile. This is where you are able to see what college you have enrolled at and the semester you will be attending. This is also where you can see you are under the Dual/Concurrent Academic/Career Plan. This process does not need to be done again, it is once per college.

The image shows a screenshot of a web application interface for 'Active Programs'. The page displays a table with columns for 'College', 'Program', 'Admitted', 'Plan', 'Sub-Plan', 'Field of Interest', 'Future Plan', and 'Start Term'. The table contains three rows of data for a student named 'Student ID: 9888888'.
