

DENTAL ASSISTING PROGRAM

Phoenix College

Be a part of this exciting health profession!

Qualified and skilled Dental Assistants will continue to be in high demand in the local and national dental communities for many years. There are many opportunities for dental assistants that complete their education in an accredited, community college-based training program, like the program at Phoenix College. We have a reputation for graduating highly-skilled and knowledgeable dental professionals with a high success rate in their educational preparation.

How do I get started?

- Enroll in Phoenix College
- Apply for Financial Assistance
- Take your placement tests
- See a PC Advisor to select your courses
