Re: Professional Certificate Approval Program (PCAP)

Dear Dr. Thomas-Brogan:

On behalf of AHIMA and the PCAP program, I am pleased to confirm that the annual PCAP attestation #1 form and supporting documents for the Phoenix College Medical Coding: Hospital-Based Coding Certificate Program have been received, reviewed and accepted. Your program remains in PCAP-approved status and is now entering year 2 of your 3-year PCAP cycle.

In accordance with PCAP policies, your program will be required to submit an annual PCAP attestation #2 and payment in the Jan-Feb 2021 timeframe. Processing PCAP attestations may take up to 1-2 months. To avoid any potential lapse in PCAP approval status, please mark your calendar now, to submit your annual PCAP attestation #2 and payment in the Jan-Feb 2021 timeframe.

In addition:

- I have attached via separate email some PCAP Attestation observations and recommendations to consider implementing for your next attestation

As always, please reach out for further assistance any time.

Regards,
