The Learning Commons at Phoenix College offers a five-hour workshop to help aspiring nursing students prepare to take the HESI-A2 exam. The workshop consists of an overview of the test, a discussion about different test-taking strategies, and practice in each area that you will be tested and graded on.

**YOU MUST CALL THE NUMBER BELOW TO RESERVE A SPOT**

Areas Covered During the Workshop:

- Exam Overview
- Reading Comprehension
- Grammar
- Vocabulary
- Mathematics

We recommend that students purchase the HESI workbook* (noted below). It is available at the Phoenix College Bookstore, online through Amazon.com and other e-stores, or from many Phoenix Public and Maricopa Community College Libraries.
