Academic Excellence

- 2015-2016 School Year
  - Men’s Basketball Team GPA 3.1
- 2008 NJCAA Academic Team of the Year
The Phoenix College Men's Basketball Team earned the highest men's basketball team GPA in the country with a 3.40. This is the first time in school history that the men's basketball team has won such an honor. This past year AJ Woodward and Justin Salzwedel earned a 4.0 GPA and Curtis Mitchell earned a 4.0 GPA during the second semester. "This is a great accomplishment and something that all the guys should be proud of because making these types of grades takes a lot of hard work and dedication during the school year especially with the time commitment of basketball," says Head Coach Matt Gordon.
