MCCCD DOMICILE AFFIDAVIT
Independent Student

The purpose of this domicile affidavit is to provide information in regard to the domicile of the person listed below. Domicile means a person’s true, fixed, and permanent home and place of habitation.

Residency for tuition purposes is determined in accordance with state law (A.R.S. §15-1801 et. Sec.) and regulations of the Maricopa Community Colleges Governing Board. All of the Maricopa Community Colleges are subject to the above statutes and regulations. Students who have questions about their residence should contact the Office of Admissions and Records Office/Office of Student Enrollment Services for clarification.

The responsibility of registration under the proper residency classification is placed upon the student. Any student who is found to be classified improperly shall be required to pay full out-of-state tuition. In determining a student’s classification, the college may consider all evidence presented by the student, written or oral, or any other information received from any source which is relevant to determining classification.

If you are under the age of 24 and a dependent of one or more parent for federal income tax purposes, please refer to the Residency Guidelines and complete the Dependent Domicile Affidavit. Students who have questions about their residency should contact the Office of Admissions and Records Office/Office of Student Enrollment Services for clarification. All questions should be read carefully before answering.

Independent students need to:

1. Complete the Domicile Affidavit (reverse side).
2. Provide proof that you have physically resided in Arizona for one year prior to the start date of the semester for which you are applying for in-state residency.
3. Provide proof that you have taken steps to establish domicile (reverse side) in Arizona.

A combination of the following may be used to determine domicile in Arizona:

- Arizona income tax return
- Arizona motor vehicle registration
- Employment history in Arizona
- Source of financial support in Arizona
- Ownership of real property*
- Transfer of major banking services to Arizona
- Arizona voter registration
- Arizona driver’s license
- Dependency as indicated on federal income tax return
- Notarized statement of landlord and/or employer
- Change of permanent address on all pertinent records
- Place of recent graduation from high school

*Ownership of property or payment of taxes within a state is not necessarily the sole basis for determining residency.

NOTE: Some visa types are not eligible for in-state residency. Contact Admissions and Records Office/Office of Student Enrollment Services for clarification.

All documentation must be submitted to the Admissions and Records Office/Office of Student Enrollment Services.
