The Western Undergraduate Exchange (WUE) program is a student exchange program coordinated by the Western Interstate Commission for Higher Education (WICHE) and administered by the Arizona Board of Regents. Through WUE, students who reside in western states (Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, and Wyoming) and meet the eligibility requirements, pay 150 percent of the regular resident tuition plus fees. Students must mark prominently on the Student Information Form that they seek admission as WUE students. Students may not apply as out-of-state students and expect to receive the WUE tuition rate after admitted. Once admitted as WUE students, students may not petition for in-state residency. Further information may be obtained from the Admissions and Records Office/Office of Student Enrollment Services.

Classification for the WUE program means that you are a resident of your previous state, and your intention is not to establish residency within Arizona for tuition-fee paying purposes.

If you select WUE for your residency classification for tuition/fee paying purposes, you may not establish Arizona residency for tuition/fee paying purposes for the future. If a WUE student wishes to later establish residency, the student will need to pay out-of-state tuition for one year following the completion of their WUE status. Student could also choose to not take classes the year they are establishing residency. A Domicile Affidavit will need to be completed to change residency classification.
