

Summer 2021 Phoenix College Phlebotomy Program Schedule

The Phlebotomy Program consists of 3 courses, PLB109, PLB111, and PLB122.

PLB109 and PLB111 run concurrently from **Tuesday, May 25** through **Tuesday, July 20, 2021**.

PLB109 and PLB111 are hybrid courses. The majority of your coursework will be completed online.

You will participate in a short focused lecture and **lab in-person** on **Tuesdays** from **10am-6pm** in the Phoenix College HE building, room 302 from Tuesday, May 25 through Tuesday, July 20.

PLB122 is the clinical externship class – July 26, 2021 through August 13, 2021.

Mondays through Fridays, 5 days per week for 3 straight weeks
8 hours per day, usually between the hours of 7am-5pm

This class is held offsite at a clinical externship site.

Each student schedule will vary depending upon the dayshift hours of the clinical site the student is placed in.

Please note because of COVID, externship dates may be delayed or completely canceled.

Every effort will be made to place students in clinical externship but externship dates may be delayed indefinitely depending on the current public health situation.

In the event of clinical externship delay or cancelation, virtual clinical externships with completely online coursework, will be required to complete the program and obtain a certificate of completion.
