

Spring Announcement #3

Phoenix College will be the premier provider of student-centered learning opportunities for our community to go far close to home.

Greetings,

We are almost to the mid-point of the semester with spring break only two weeks away. March is a busy month with 45th-day certification, flex classes ending, alternative start classes beginning, and of course spring break. This edition will cover Women's History Month, 45th-day Certification, Empty Bowls, and the Weeks of Welcome Website.

Women's History Month had its origins as a national celebration in 1981 when Congress passed Pub. L. 97-28 which authorized and requested the President to proclaim the week beginning March 7, 1982, as "Women's History Week." Throughout the next five years, Congress continued to pass joint resolutions designating a week in March as "Women's History Week." In 1987 after being petitioned by the National Women's History Project, Congress passed Pub. L. 100-9 which designated the month of March 1987 as "Women's History Month." Between 1988 and 1994, Congress passed additional resolutions requesting and authorizing the President to proclaim March of each year as Women's History Month. Since 1995, presidents have issued a series of annual proclamations designating the month of March as "Women's History Month."

As a learning-centered institution, please take this time to engage with our students in and out of the classroom (and virtually) as partners in learning. Consider inviting students to develop topics, homework assignments, or other peer learning opportunities to connect with Women's History Month.

Monday, March 1 was the 45th-day and the last day to adjust rosters in SIS. All rosters must be certified by **Tuesday, March 9th by 5:00pm**. Contact the VPAA, Dean, or Department Chair if you need additional help certifying your spring roster.
