How to Read BOExi PCC_0060 Phoenix College List of Combined Classes

BACKGROUND

PCC_0060 details combined sections and the classes making up the combined sections. It includes combined section number, subject, catalog and class numbers, enrollment capacity for each class and for each combined section, class start and end dates, meeting days and start and end times, facility ID, assigned instructor, workload, role and assign type, and whether or not the class meeting patterns match or if they are “skip” (non-matching) meeting patterns. Page 2 explains the report fields and page 3 explains the current meeting patterns applied.
