FY 2019-2020 GUIDELINES FOR TEMPORARY JOBS AND ADDITIONAL EARNINGS

I. General Procedures

The Governing Board approved the fiscal year **2019-2020** budget on **May 28, 2019**. The following Temporary Guidelines remain in effect for fiscal year **2019-2020**. Please refer to Administrative Procedures for details and rules regarding temporary employment. Temporary job codes, which increased twenty-five cents per hour, have their rates listed in **“bold”**. The adjunct load rate increased to **\$935.00**. Not all assignments or additional jobs received an increase; rates that changed are in **“bold”**. On November 8, 2016, Arizona voters passed the Healthy Working Families proposition 206, **effectively increasing the minimum wage in Arizona starting in 2017 and years thereafter. MCCCCD will comply with Federal, State or Local minimum wage laws whichever is highest. For calendar year 2020, the Arizona State Minimum Wage increased to \$12.00 per hour (Flagstaff \$13.00 per hour).**

Please keep this document for future reference and share this information with individuals responsible for the subject matter of this document.

ADMINISTRATIVE PROCEDURES

Effective July 1, 2014, until further notice, MCCCCD will allow each temporary employee to work a maximum of 25 hours per week except for designated periods as defined in the table below:

Peak Weeks for Temporary Employees

Peak Week Defined: A week during seasonal busy periods in which managers may schedule temporary employees for up to 40 hours. (NOTE: Adjunct faculty are not permitted to work more than 25 hours in a week. **This includes the maximum load hours of 12.**)

TEMPORARY EMPLOYEES

Total hours between positions and locations cannot exceed the 25 hour per week maximum.

Seasons	# Weeks	Explanation	Payroll Dates
Fall Enrollment	6	4 weeks prior to start of classes; 2 weeks after start of classes.	07/20/19 – 07/26/19 07/27/19 – 08/02/19 08/03/19 – 08/09/19 08/10/19 – 08/16/19 08/17/19 – 08/23/19 08/24/19 – 08/30/19
Spring Enrollment	4	2 weeks prior to start of classes; 2 weeks after start of classes	01/04/20 – 01/10/20 01/11/20 – 01/17/20 01/18/20 – 01/24/20 01/25/20 – 01/31/20

Any previously employed MCCCCD employee (in a benefit eligible position at the time of separation) MUST have a minimum 26-week break period before being rehired as a part-time (non-benefited), temporary employee with MCCCCD.

If a department is unable to comply with the above requirements, it will be necessary to fund a short-term, benefited position to extend benefits to the employee in accordance with The Affordable Care Act (ACA) provisions. Supervisors should seek counsel with the local HR Manager to identify appropriate coverage. Failure to comply with MCCCCD’s requirements and ACA provisions can result in penalties under Federal Regulations assessed at both the campus and district level.

A new hire packet must be completed by the hiring department and be kept on file on or before the first day employment. By federal law, Section One of the Form I-9 must be completed no later than first day of work for pay but no sooner than when the employee accepts the job offer. Section 2 of Form I-9 must be completed within three business days of the first

FY 2019-2020 GUIDELINES FOR TEMPORARY JOBS AND ADDITIONAL EARNINGS

day of work for pay. It is the hiring department's responsibility to ensure the temporary employee meets the minimum qualifications of the job, including proof of required licenses and/or certifications.

If the intent is to hire this temporary employee for **20** hours or more for more than 20 weeks for this position, state retirement will be deducted at the beginning of the assignment. The department will need to match the funds. State retirement will continue to be deducted until the temporary terminates. If the temporary employee is hired to work an irregular, intermittent work schedule, state retirement contributions will begin after the 20-hour/20-week criteria are met. If the schedule remains on the same kind of intermittent schedule for a subsequent fiscal year the employee must re-qualify each year using the 20-hour/20-week criteria for retirement contributions. As a guideline, if the assignment begins July 1, the 20 weeks will occur around November 18th. Temporary employees are paid at the current temporary pay rates as listed on the temporary pay rate sheets.

OVERTIME REMINDER

To comply with FLSA, non-exempt employees are paid overtime for all actual hours worked ("In-seat" time) over 40 in a workweek per **Policy A-41 Salary Administration and SPM A-43 Compensable Work Time – Non-exempt employees of the Staff Policy Manual**. Temporaries and students are considered non-exempt employees. Non-exempt employees who perform a second job (non-teaching) in addition to their regular 40 hours and are scheduled on a continuous basis over a period of time are due blended overtime. When the 2nd job is teaching, employees are paid regular overtime at 0.5 x normal hourly rate.

If the non-exempt employee undertakes sporadic, occasional or seasonal work for less than one month and solely at the employee's option, which is in a different capacity than the capacity in which the employee is regularly employed, the overtime hours are compensated at the regular overtime rate for the position and not the blended rate. Exceptions to the sentence above are ticket takers, chaperones, and referees related to a specific event which fit the narrow criteria for being exempt from overtime

Changes to temporary pay rates that are governed by outside agencies may increase during the fiscal year. Notification of these rate changes will be shared with Senior HR leadership and published online

Pay Differential (Shift)

Any student or temporary worker who works between the following hours below will receive \$.50 per hour pay differential.

Types of Work Shifts for Pay Differential:

1. Evening Shift. A shift that begins at or after 2:00 p.m. and ends at or before 4:00 a.m. Monday through Sunday ("evening shift");
2. Weekend Shift. A shift that begins at or after 12:00 a.m. (midnight) on Friday and ends at or before 12:00 a.m. (midnight) on Sunday ("weekend shifts").
3. Other Shifts. For any employee working a shift not covered by the definition of "evening shift" above who is regularly scheduled to work at least two consecutive hours beyond 5:00 p.m. or (*6:00 p.m. when on a 4/10 schedule), a shift differential will be paid (in addition to base pay) for 5:00 p.m. (*6:00 p.m. when on a 4/10 schedule) until the end of the employee's shift. A minimum of two consecutive hours must be worked beyond 5:00 p.m. (*6:00 p.m.) to qualify for this differential.

Individuals who will be required to drive official vehicles according to the work they are being asked to perform must be set up as **temporary part time** employees.

LEGAL/EMPLOYMENT POLICY REQUIREMENTS

The basic legal provisions governing the Arizona State Retirement systems operations are contained in Arizona Revised Statutes.

Employees hired to work for a plan employer for up to 19 weeks in a fiscal year or are hired for less than 20 hours per week for the entire fiscal year are not eligible for the state retirement plan.
