

# Cloud Computing

To Enroll in our IT Programs

[www.phoenixcollege.edu/iti](http://www.phoenixcollege.edu/iti)

## The sky's the limit!

Do you love imagining the possibilities with technology? The Cloud Computing program will introduce new and interested students to the fundamentals of cloud services, as well as hands-on opportunities to apply these concepts to real-world applications.

This program prepares students for the following certification(s):

- Amazon Web Services Cloud Practitioner

To Customize IT Training Solutions for Employees

Contact: Maria Reyes  
Dean of Industry & Public Service
