Connecting through Economic and Workforce Development

PC has a strategic commitment to provide a holistic college experience and respond to the evolving needs of our community. We plan to increase the number of students and faculty participating in work-based experiences by 10% by 2022.

Our vision is that all students will have access to, and participate in at least one Work-Based Experience (WBE) while attending PC.

Phoenix College had a total of 11,109 students enrolled in 2018 - 2019.

Only 2 out of every 10 students participated in a work-based experience during this year.
