Dear President Solley:

Enclosed is the NAACLS Board of Directors' official accreditation award for your Medical Laboratory Technician program's accreditation as decided at its September 18, 2015 meeting.

The Board of Directors' award is based on the continuing accreditation review process that included a site visit of your program in Spring 2015.

Accreditation for your program will continue until October 31, 2020. As a result, your program will commence the continuing accreditation process with submission of the Self-Study Report on October 1, 2019 and the scheduling of a site visit during Spring 2020. We provide this information to assist you in your program's administrative and financial planning.

This letter and the accompanying award represent formal accreditation by NAACLS. The NAACLS Certificate of Accreditation will be forwarded to the Program Director.

Sincerely,

A handwritten signature in black ink that reads "Fred H. Rodriguez, MD". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.

Fred Rodriguez, MD
President, NAACLS Board of Directors
