¹Students can get answers to questions quickly during in-person or virtual meetings.

²You require a standard laptop or desktop computer, a webcam, and headset microphone, OR a computer with embedded webcam and microphone. NOTE: Tablet, notebook or phone will NOT meet your needs. You also require high-speed internet to use multimedia and online conferencing tools. If you don't have a laptop, we can loan you one! Call for more details.

³Scheduled meetings between students and lecturers are part of the course structure. Students in Virtual (Live Online) and Online only courses have the option to arrange remote one-on-one meetings with instructors.

Please Note: Check your course syllabus for details on contact, meetings and safety. Not all classes are available in all formats listed.
