EMERGENCY MEDICAL TECHNICIAN (EMT) EDUCATION PROGRAM

Name: _____
Last First Middle

Current Address: _____
Street City State Zip Code

Contact Numbers: (____) _____ (____) _____ (____) _____
Home Work Cell Phone or Pager

Email Address: _____ Date of Birth: _____

The Emergency Medical Technician certification is the gateway process for a career pathway in Emergency Medical Services. Phoenix College is currently advising and enrolling interested and dedicated students for the program. Day and evening sessions are currently available however, course sessions are limited to first come first served in the enrollment process.

PRIMARY FOCUS OF THE EMT:

The EMT provides basic emergency medical care and transportation for the sick and injured, both critical and emergent patient(s) who access the EMS 911 system. The EMT possesses the basic knowledge and skills necessary to provide patient care and transportation. The EMT functions as part of a comprehensive EMS response, under medical oversight from the scene to the emergency health care system.

PRIMARY EDUCATIONAL MISSION AT PHOENIX COLLEGE:

To prepare competent professional EMT's for state and national certification, to obtain employment in the emergency services and other areas of the health care delivery system. This is accomplished through providing competent dedicated education and training to the student to prepare them to obtain the National Registry of Emergency Medical Technician certification and become an Arizona certified Emergency Medical Technician.

Please contact the Phoenix College Advisement department for an appointment and information at 602-285-7777 or visit them on the web at www.phoenixcollege.edu/students/advisement. Please review the student handbook and catalog for additional information on registration; these materials can be located at www.phoenixcollege.edu.

ENROLLMENT REQUIREMENTS:

- ___ Student must be at least 18 years of age at the time of enrollment.
- ___ Student must have ONE of the following:
 1. ACCUPLACER Next Generation score of 249 or higher
OR
 2. Associate's degree or higher from and accredited college or university

REQUIRED COURSES:

- ___ EMT 101 (Designed to provide the allied healthcare provider with the knowledge and skills to perform Basic Life Support (BLS) according to current guidelines for emergency cardiovascular care (ECC).
- ___ EMT 104 (Designed as the Emergency Medical Technician (EMT) lecture to prepare students for scope of practice and standard of care with comprehensive assessment, diagnostic technology, patient advocacy, ethical and professional behaviors, critical thinking, decision-making, and patient management of medical and trauma emergencies and non-emergencies).
- ___ EMT 104LL (Designed as the simulated Emergency Medical Technician (EMT) practicum in which the student synthesizes standard of care and scope of practice with comprehensive assessment and diagnostic technology, patient advocacy, ethical and professional behaviors, critical thinking, decision-making, and patient management of medical and trauma emergencies. Provides scenario based learning applied to the techniques of emergency medical care in accordance with national and state curriculum).
- ___ EMT 104AB (Applied Practical Studies for EMT. Simulated patient encounter course, with practical application of techniques and skills covered in the EMT curricula. Student are to actively participate in team leader and team member roles as assigned by the evaluator during the course. Complete 10 simulated patient encounter forms, achieve a passing assessment score of 75% or better on all EMT skills. Utilize appropriate order model communications during the course).

REQUIRED DOCUMENTS TO BE TURNED IN ON THE FIRST DAY OF CLASS (if you have completed the required documents prior to the first day of class, bring documents to the EMT Department in the PSB Building):

- ___ Copies of reading ACCUPLACER Next Generation score of 249 or higher OR Associates degree or higher
- ___ Current Immunization Records / Current Physical Examination
 1. ___ Mumps, Rubella and Rubeola (proof of immunity by positive antibody titer or 2 doses of MMR vaccine)
 2. ___ Varicella (proof of immunity by positive IgG titer, by positive history of chickenpox or 2 doses of Varicella vaccine)
 3. ___ Tdap (proof of tetanus/diphtheria vaccine within the last 10 years)
 4. ___ Influenza (proof of influenza vaccine for current annual year enrolled or declination form)
 5. ___ Hepatitis B (proof of immunity by positive HbsAb titer, 3 doses of HEP B or declination form)
 6. ___ Tuberculosis (negative blood test either QuantiFERON or TSPOT, negative chest x-ray or 2-step TB Skin Test. Results must be within the last 6 months of the first day of class)
 7. ___ Physical Examination by a MD, DO, PA or NP with signature

COURSE MATERIALS TO BE PURCHASED AT THE PHOENIX COLLEGE BOOKSTORE

- ___ Navigate 2 Premier Access for Emergency Care and Transportation of the Sick and Inured 11th edition ISBN: 97811284110531 Author: AAOS Estimated Price: \$348.95 (ebook)
<https://www.psglearning.com/catalog/productdetails/97811284110531> **REQUIRED**

Note: Failure to provide the documentation as explained in the advisement packet (process) and outlined on this checklist shall result in you being dropped from the program with a 100% refund, on the first day of class. Please make copies of all of your document in advance in preparation for the first day. All copies will become part of our student records in compliance with HIPPA Act, ARS Title 13, Arizona Administrative Code Title 9 Chapter 25.

Hepatitis B Declination

If you choose to decline the Hepatitis B series, please read and sign the following section:

I understand that due to my exposure to blood or other potentially infectious materials during the clinical portion of my health science program, I may be at risk of acquiring Hepatitis B virus infection. I have been encouraged by the EMT Department faculty/staff to be vaccinated with Hepatitis B vaccine, however, I decline the Hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease. By signing this form, I agree to assume the risk of a potential exposure to Hepatitis B virus and hold Maricopa Community College District as well as all hospital and pre-hospital clinical observation sites harmless from liability in the event I contract the Hepatitis B virus.

2019-2020 Seasonal Influenza Declination

I understand that due to the nature of health care and the volume of individuals that I may come in contact with, I may be at risk of acquiring an influenza virus. The health requirements for the allied health program in which I am enrolled, as described in the Student Handbook, include the current influenza vaccination as identified by the Centers for Disease Control for the current influenza season as part of the program's requirements. I have been encouraged by the faculty to be vaccinated; however, I decline the influenza vaccination at this time, I understand that by declining this vaccine, I continue to be at risk of acquiring influenza. By signing this form, I agree to assume the risk of potential exposure to influenza and hold the Maricopa Community College Allied Health Program as well as all health care facilities I attend as part of my clinical experiences harmless from liability in the event I contract the virus. I also understand that, due to the contagious nature of the virus, that a health care setting may not accept my placement if I refuse vaccination.
